

Town of Newtown – Verbal Consent Script for SMS Alerts

Hello, this is the Newtown Emergency Communications Center calling on behalf of the Town of Newtown – Public Works Department.

We would like to send alert messages to your phone number regarding repair services that may affect your water supply in your area.

The alert message will be as follows:

"You are receiving an alert message from the Public Works Department that there is a repair service in your area that may affect your water supply for a period of time. Once completed, you will receive a further notice. Thank you for your understanding. Sincerely, Town of Newtown."

Do you consent to receiving these automated messages from the Town of Newtown?

- To accept and receive messages, say or type "YES".
- To decline, say or type "NO".

You may opt-out at any time by replying "STOP".

Thank you for your time.
